

# Quality Medical Equipment

We care about healthcare delivery costs so we offer feature-rich, reliable products at a competitive price with an industry leading warranty and service solution.

**Oakworks has been providing customers with innovative medical equipment, excellent service, and cost effective solutions for over 40 years.**

Ergonomically Advanced  
Ultrasound Tables

We collaborate with leaders in the medical specialties we serve to create cutting edge designs that balance the needs of both patients and practitioners.

Our designers focus on ergonomics and patient comfort, while helping to minimize exam and procedure times.

Oakworks Medical tables and chairs are FDA listed, ensuring the highest level of safety for patients.

# Innovative Products, Quality Solutions

Offering a unique commitment to U.S. manufacturing and environmental wellness, Oakworks is setting the global standard for medical and spa tables.

Over 21 C-Arm  
Table Models

## Regulatory

Oakworks Medical is ISO 13485 certified and our quality system conforms to FDA quality system requirements in our state-of-the-art 91,000 square foot factory in New Freedom, Pennsylvania. Our products are FDA Class I and Class II listed, ensuring the highest level of safety.

## Sustainability

Oakworks has maintained a strong commitment to environmental wellness. We have a proactive plan that addresses sustainability to ensure we are doing our part to preserve the health of our environment, our customers and the wellbeing of our employees.

## Innovation

Our in-house R&D, engineering and manufacturing capabilities enable us to design and manufacture products that reflect the latest developments in the fields we serve. By working with leaders in the fields we serve, we bring in insights that help us stay ahead of the curve.

# The Keys to Success

## The capacity to deliver on-time

We pride ourselves on being able to meet demanding schedules for large orders in our state-of-the-art 91,000 square foot factory.

## In-house engineering team

Constant innovation and the ability to customize products to fit the specific needs of our customers is our strength.

## Management dedicated to quality

Quality is a core value of our company. We are an ISO 13485 factory dedicated to making the highest quality products that meet or exceed the expectations of our customers.

## Excellent Warranties

Built to last, our products' excellent warranties are backed by our national service capabilities to ensure trouble free service from our products.

## Products now available on 4-Tower and Revalize (Attainia)

We work with major distribution companies and utilize our nationwide sales force to help identify end users needs and deliver the products and training they need to achieve their goals.

Our products are on many GPO contracts and we are continually working to expand the network we serve.

*Innovative Products, Quality Solutions*
