AMANI™ COLLECTION

The Amani™ Collection brings together sophisticated design, exceptional comfort, and innovative functionality to elevate the treatment experience. Its contemporary styling enhances any spa environment, creating a lasting impression on guests while providing practitioners with the versatility, ergonomic support, and dependable performance needed to deliver exceptional treatments.

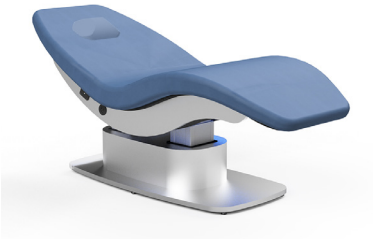

Amani™ Lounger

This fixed-height lounger combines contemporary elegance, exceptional craftsmanship, and luxurious comfort, creating an inviting retreat for relaxation and rejuvenation.

Amani™ TL

This versatile treatment table combines sophisticated styling with electric height adjustment and powered tilt, providing exceptional comfort, effortless positioning, and luxurious relaxation.

Amani™ TLX

This luxurious treatment table combines sophisticated styling, a brushed aluminum base, integrated SoVi vibroacoustic technology, and Fuzion heat for immersive relaxation.
